

GO WILD

WITH THE MISSISSIPPI MUSEUM OF NATURAL SCIENCE

*Let us bring a bit of the Museum to you.
Schedule a naturalist program or teacher workshop at your school today!*

- ✓ Programming correlates with National Science Education content Standards and State Frameworks.
- ✓ Presentations are interactive, exciting, unique, and most include live native animals!
- ✓ Subject matter is inquiry-based and age/grade-appropriate (K-adult).
- ✓ Programs are 45 minutes to 1 hour; up to 4 programs possible per day.
